How to check your account assets

1. Today's P/L 💡

Profit/loss based on today's price movement only.
Calculated from: today's price vs yesterday closing price.

2. Funds on Hold 💡

Money inside your account but temporarily cannot use (pending processing).
Example: deposit still not completed / selling stock not settled yet.

3. Excess Liquidity 💡

Your extra safety money in the account.
If this becomes too low → account becomes risky (margin call).

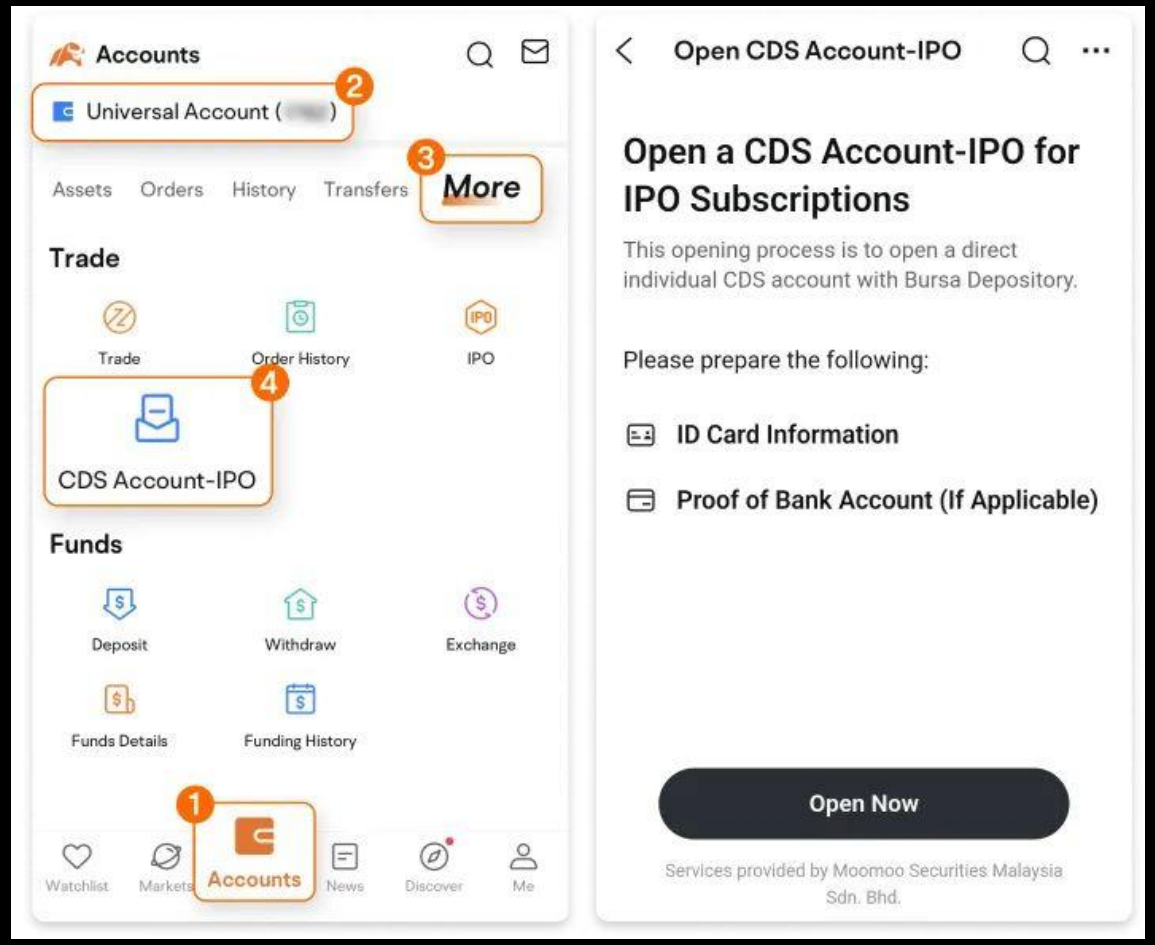

4. Total Cash 💡

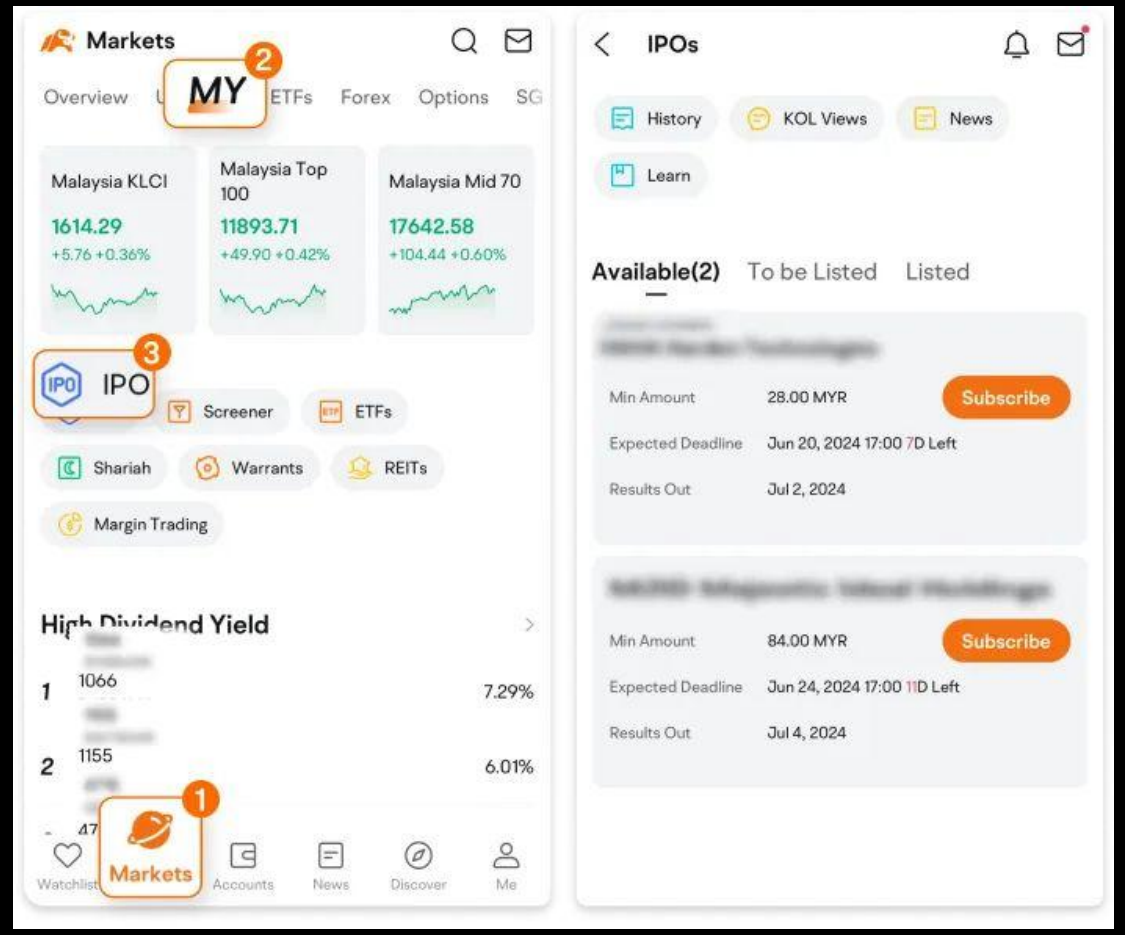

Total cash you have in moomoo account (including pending cash).

5. Max Withdrawable 💡

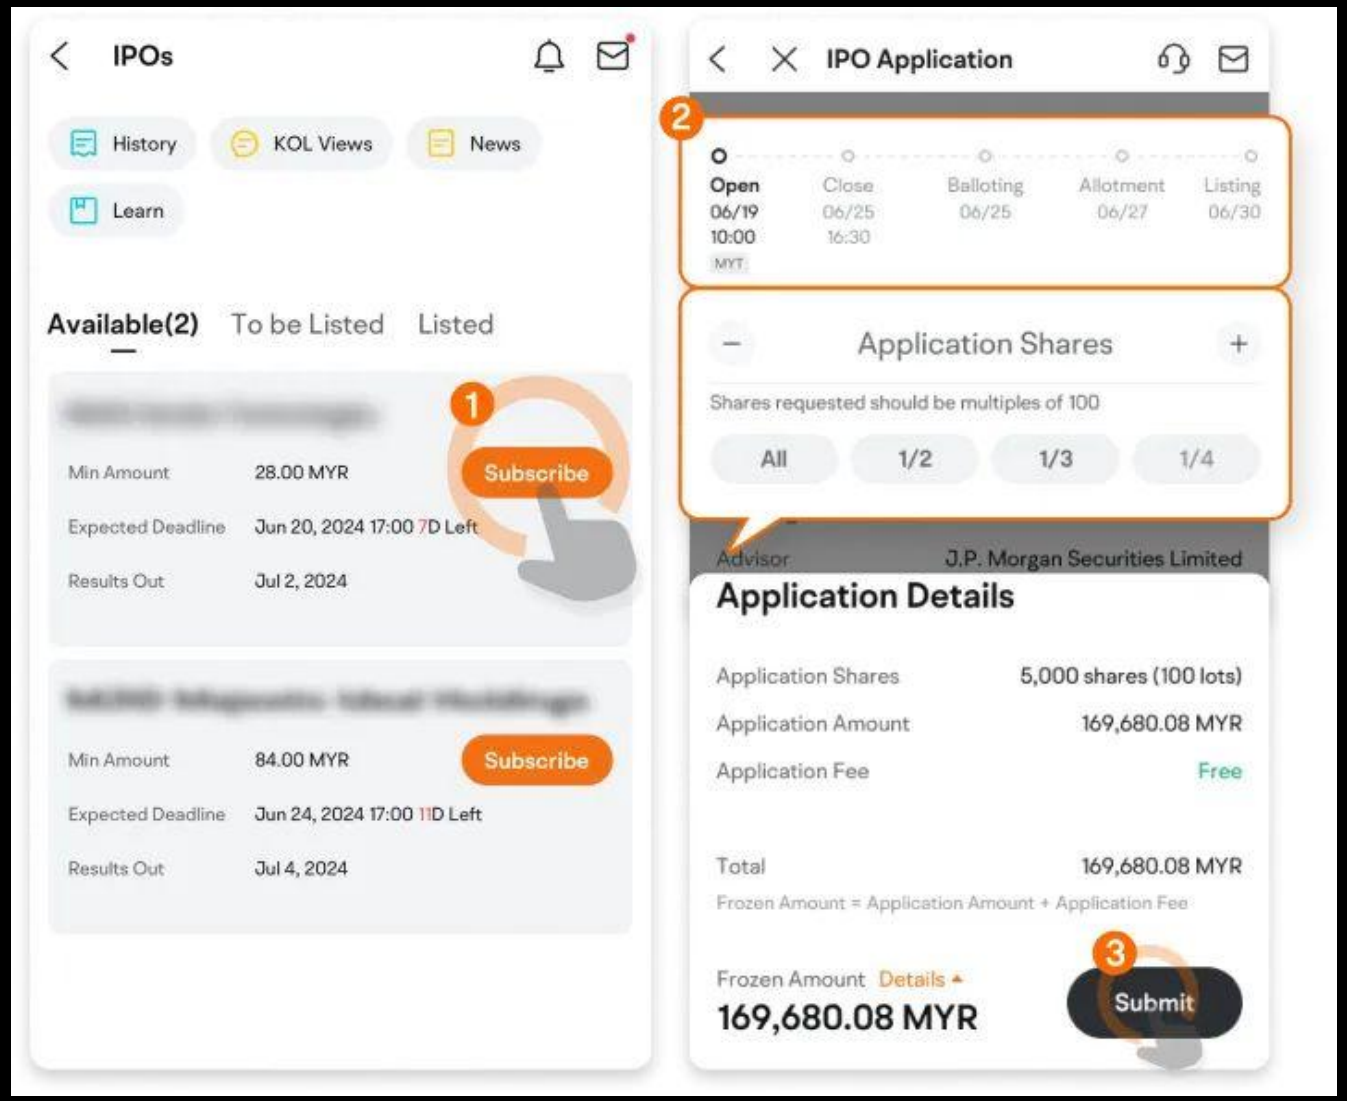

The maximum cash you can withdraw now.
(Usually smaller than Total Cash because some cash still pending/locked.)
